Re: Kennecott Corporation
Barney's Canyon
Rough Grading Plans

Dear Mr. Ramsey:

We have reviewed your submittal including drawing SK-BC-129 which addresses concerns raised in our 15 September 1989 letter concerning storm runoff from the rough graded surface on pad BC-2. We concur based on your presentation.

A written notification must be submitted prior to resuming construction operations on pad BC-2 next Spring.

Sincerely,

Charlie G. Dietz
